

Christian Renewal School

..... be transformed by the renewing of your mind..... (Rom 12:2a)

Dear Parent

Thank you for your interest in our school.

Please find enclosed our Prospectus along with Enrolment Information and Forms.

The following are the steps we would suggest you follow through prior to sending in the Enrolment Forms:

1. Read through the Prospectus in order to understand the Christian distinctives about our school.
2. Have a read through the Enrolment Information and check out the school website. This will give a more detailed picture of life at Christian Renewal School.
3. We would suggest you make a time to come in and have a look at the school. Please ring to make an appointment so you can meet with the Associate Principal in charge of the academic area your children would be in. This will give you a real opportunity to ask questions while seeing the school in action.
4. Attend Parent Orientation – dates for these can be requested from the school office.
5. Fill in the Enrolment Forms.
 - a. You will need to complete one Enrolment Form *for each child* you would like to enrol. These should be returned to the school.
 - b. Fill in your name on the Preference Enrolment (if applicable) and hand to your pastor/minister to complete. Preference Enrolments must agree with the Belief Statement of Christian Renewal Trust.
 - c. Please ensure all sections are completed otherwise we will have to return the forms to you, which will delay enrolment procedures.
6. Once Enrolment Forms are received there will be an interview with the Enrolment Committee. This will be organised once all documents are returned to the school including Preference Enrolment forms and the Previous School Reference.
7. Please note that completion of Enrolment Forms does not constitute acceptance into school. There may be waiting lists according to Preference/Non-Preference rolls, High School/Junior School rolls and class sizes. You will be informed of acceptance/non-acceptance into school.

Post all Forms once completed to:
